

# Friends of Debenham Library

## Heavy Metal Day

Thank you to all who brought their scrap metal, old appliances, kitchen utensils, pots and pans, etc. to our fundraiser on Saturday 25th May. As well as saving a lot of material from the incinerator, this will provide very useful income to the Library and the Primary School. Many hands helped to sort the goods, which considerably increases its worth as scrap and hence our income.

With some of the proceeds we are booking two exciting activities for the summer holidays: **Our Animal World**—the mobile petting zoo which has visited the library previously—and the **Astronomy Roadshow**—“UK’s largest mobile planetarium system”. Both are free and ideal for families and children. The Astronomy Roadshow will be on Wednesday 28 August; the date for the zoo isn’t fixed yet, so look elsewhere in this magazine or call at the library for more details. Booking will be required for the Astronomy Roadshow to choose one of four sessions.

**Reading Quest** is an exciting opportunity to get the whole family involved in reading and making memories this summer! The challenge is open to children of all ages and all reading abilities. Every week during the summer holidays, staff and volunteers will be on hand to chat to children about the activities completed each week and the exciting books they’ve read. While visiting the library, children can collect a weekly reward and a new stack of books to enjoy at home. Visit the library from **13 July** to collect your free map and start your quest! Visit [www.suffolklibraries.co.uk/resources/reading-quest](http://www.suffolklibraries.co.uk/resources/reading-quest) for more information, and to volunteer to help (please!).

*Books, DVDs, WiFi, Computers, Printing/photocopying/scanning, CDs and audiobooks, downloadable films/music/audiobooks/ebooks, free reservations. The room is available for hire outside opening hours.*
