

Debenham Shed

Wanted: do you have a small wooden shed you don't need? We need to house our compressor in a small, insulated enclosure. Also we need a small kitchen drainer/sink for outside use. Please contact us if you can help.

There is no craft day in July, as Debenham Shed will have a presence at Debenham High School's 60th Anniversary Fete on 13 July.

Last month about 20 Beavers visited with their parents to make keyholders (see picture for

samples) from prefabricated pieces. They had great fun! This month we have will visits from Cubs and Scouts too. We are also building hedgehog boxes for Suffolk Prickles Hedgehog Rescue, and later in the year the Debenham Green Team are holding a family day at the Shed when you can build your own hedgehog box.

The Royal British Legion are joining forces with UK Men's Sheds Association to improve mental health support for veterans. Charlie Bethel, (CEO) said, "*Many Sheds in the UK have veterans in, and with the Royal British Legion we hope to increase that number by helping Sheds become more accessible, particularly for people with conditions such as PTSD.*"

At our AGM last month we agreed to convert to a Charitable Incorporated Organisation, in order to limit liability of committee members and officers, to allow contracts and enable us to claim Gift Aid on qualifying donations.

Debenham Shed is at 2 Fields Farm, Low Road (IP14 6BJ). We are open on Monday mornings 9am-12pm, Fridays 10am-5pm and normally the second Saturday morning of each month. Membership by the year, half-year or PAYG.

*What is Debenham Shed? A place to make things by yourself, with guidance or with others. It could be in metal, cloth, wood or plastic. We have lots of tools and sourcing materials. You may want to repair or make new—the limit is your imagination. It is also for social connecting and friendship building, sharing skills and knowledge, and of course a lot of laughter. **Debenham shed is open to all adults.***
