

Earl Stonham Village Hall

Special Conditions of Hire - COVID-19

Note: These conditions are supplemental to, not a replacement for, the hall's ordinary conditions of hire

SC1:

You, the hirer, will be responsible for ensuring those attending your activity or event comply with the COVID-19 Secure Guidelines whilst entering and occupying the hall, as shown on the attached poster which is also displayed at the hall entrance.

SC2:

You undertake to comply with the actions identified in the hall's risk assessment, of which you have been provided with a copy.

SC3:

You will be responsible for the anti-viral treatment of door handles, light switches, window catches, equipment, toilet handles and seats, wash basins and all surfaces likely to be used during your period of hire **before** other members of your group or organisation arrive and to keep the premises virus free through regular anti-viral treatment of surfaces during your hire, paying particular attention to wash hand basins and kitchen sinks (if used), using either the products supplied (which will be in a clearly accessible location) or your own ordinary domestic products. You will be required to clean these again on leaving.

Please take care with anti-viral treatment of electrical equipment. Use cloths - do not spray!

SC4:

You will make sure that everyone likely to attend your activity or event understands that they **MUST NOT DO SO** if they or anyone in their household has had COVID-19 symptoms in the last 7 days, and that if they develop symptoms within 7 days of visiting the premises they **MUST** use the Test, Track and Trace system to alert others with whom they have been in contact.

SC5:

You will keep the premises well ventilated throughout your hire, with windows and doors open as far as convenient. You will be responsible for ensuring they are all securely closed on leaving.

SC6:

You will ensure that no more than 20 people attend your activity/event, in order that social distancing can be maintained. You will ensure that everyone attending maintains 2m social distancing if waiting to enter the premises, and as far as possible observes social distancing of 1m plus mitigation measures when using more confined areas (e.g. moving and stowing equipment, accessing toilets) which should be kept as brief as possible. You will make sure that no more than two people use each suite of toilets at one time. It is also recommended that doors and windows be kept open where possible to reduce the likelihood of airborne infection.

SC7:

You will take particular care to ensure that social distancing is maintained for any persons aged 70 or over or those likely to be clinically more vulnerable to COVID-19, including for example keeping a 2m distance around them when going in and out of rooms and ensuring they can access the toilets, kitchen or other confined areas without others being present.

For some people, passing another person in a confined space is less risky, but for older people that should be avoided.

SC8:

You will position furniture or the arrangement of the room as far as possible to facilitate social distancing of 2m between individual people or groups of up to two households or 1m with mitigation measures such as: seating side by side, with at least one empty chair between each person or household group, rather than face to face, and good ventilation. If tables are being used, you will place them so as to maintain a distance of at least 2 metres across the table between people who are face to face e.g using a wide U-shape.

SC9:

You are required to keep a record of the name and contact telephone number or email of all those who attend your event for a period of 3 weeks after the event and provide the record to NHS Track and Trace if required.

SC10:

You will be responsible for the disposal of all rubbish created during your hire, including tissues and cleaning cloths, in the rubbish bags provided in the kitchen before you leave the hall and then place them in the wheelie rubbish bin outside the entrance.

SC11:

You will be responsible, if drinks or food are made, for ensuring that all crockery and cutlery is washed, dried and stowed away. Ideally use the hall dishwasher as this washes at a sufficiently high temperature. Alternatively use **hot** soapy water. You will need to bring your own clean tea towels, so as to reduce risk of contamination between hirers, and take them away when you leave. We will provide washing up liquid.

SC12:

We will have the right to close the hall if there are safety concerns relating to COVID-19, for example, if someone who has attended the hall develops symptoms and thorough cleansing is required or if it is reported that the Special Hiring Conditions above are not being complied with, whether by you or by other hirers, or in the event that public buildings are asked or required to close again. If this is necessary, we will do our best to inform you promptly and you will not be charged for this hire.

SC13:

In the event of someone becoming unwell with suspected COVID-19 symptoms whilst at the hall you should move them to the designated safe area which is the disabled toilet.

Provide tissues and a bin or plastic bag, and a bowl of warm soapy water for handwashing. Ask others in your group to provide contact details if you do not have them and then leave the premises, observing the usual hand sanitising and social distancing precautions, and advise them to launder their clothes when they arrive home. **Inform the hall booking clerk on 01449 711461.**

SC15: Live performances e.g drama, music and singing are not permitted at present. This is in order to avoid risk of aerosol or droplet transmission. For the same reason you must take steps to avoid people needing to unduly raise their voices to each other, e.g. refrain from playing music or broadcasts at a volume which makes normal conversation difficult.
