

The School Room - Moat Farm

Part of our 18th century Suffolk farmhouse has recently been upgraded to provide 21st century accommodation for two guests. The oak beamed bedroom and sitting room with its traditional fireplace provide olde world charm, whilst underfloor heating, a wetroom shower and granite worktops in the galley kitchen provide the luxury demanded by today's discerning travellers.

Ideal for a weekend getaway, a week's stay exploring Suffolk or even for guests coming for that family occasion who need to be put up for the night and want a nice B&B.

(David will don his chef's whites and cook them breakfast)

Moat Farm, Middlewood Green, Stowmarket Suffolk IP14 5HG
